

Ellen Koplin is your incumbent Republican Supervisor. As former Manager, Volunteer and Supervisor, she is the only candidate with a proven record of service. Responsibility to those you serve is the top priority and experience does count. She is very concerned for the safety of our families.

With 400 quarry trucks per day traveling through our Township every two minutes, the risk for serious crashes will be greatly increased. Accidents between 40-ton quarry trucks and family cars never end well for the family.

All On Our Roads Together
